# Why join the Home Builders Association of Metro Portland?

## Housing Advocacy

Advocate for the residential building industry –  
Together, our voices make an impact

- Be a part of the collective voice on essential industry issues that matter to you and your business. Across six metropolitan counties and all of the cities in between, the HBA advocates for housing affordability and livability in your community.

## Membership + Services

Expand your network and strengthen your business relationships

- Nearly 100 live and virtual events allow you to learn from and connect with professionals in your industry.
- Engage with your peers on critical topics and issues by participating in more than 20 Councils and Committees.

Access to business solutions and professional development

- Improve your bottom line and employee benefits with access to programs and cost-saving business solutions that will help your business grow and thrive .
- Stay current on industry education and certifications with real-time access to industry training on topics from building science and technology to business operations, government affairs issues to standards and codes and more.

## Home Ownership + Consumer Support

- HBA promotes home buying, remodeling, and other consumer home-related services through premier education and consumer events.

## Community Impact

- HBA's charitable arm, the Home Builders Foundation, builds and renovates shelters and transitional housing communities throughout the region.

**7%** Savings rate qualifying members may receive for a SAIF workers comp plan.

**3 in 1** Your local HBA also makes you a member of the Oregon Home Builders Association (OHBA) and the National Association of Home Builders (NAHB) – providing many more benefits and services

**200K** Amount raised for our political action committee, Oregonians for Affordable Housing, to contribute to HBA endorsed candidates and issues in the 2017-2018 election cycle.

AFFORDABILITY. LIVABILITY. HOUSING FIRST.

## Home Builders Association of Metropolitan Portland

---

The Home Builders Association of Metropolitan Portland represents more than 1,400 builders, remodelers, craftsmen and industry professionals. The HBA provides ongoing education through workshops and conferences and serves as a resource to members, elected officials, the media and consumers alike. In collaboration with local governments, we work to streamline construction regulations and seek solutions to regional issues that negatively impact housing affordability and availability.
