

Thank you for your Membership!

Are you taking advantage of HBA's Business Solutions and Partnerships?

3% Savings rate qualifying members may receive for a SAIF workers comp plan

New Building Industry Insurance Trust (BIIT) launched – a highly rated medical insurance plan offering competitive rates for businesses of all structures and sizes, including for those as small as two employees.

We have constructed a better employee benefits package*

HBA members now have a new competitive, medical benefits option from Regence through the Building Industry Insurance Trust. Do you have two active, full time employees and work in the Portland Metro area? Capital Benefit Services at 425-641-8093 or sales@capitalbenefitservices.com for more information.

HBA Members will receive a 3% discount off of SAIF Premiums*

Before your SAIF renewal notice arrives, check with your broker or SAIF directly to see if you qualify for the HBA member plan. Qualified members receive 3% off of premiums.

Analyze your merchant service operations with a customer-focused company

Locally owned SwipeNow provides your business with customer focused, managed merchant services. Have Tim Holstein show you how SwipeNow can save you money with credit card processing options for your unique business. You can reach Tim at timh@swipenow.com or 503-975-0660.

Fuel your fleet with Supervised Fuels stations across Oregon

Gain access to Pacific Pride fueling stations and others across the country. Use smart technology to save money and manage your fleet. Contact Kathy Temple - 541-408-5155 or kathy@mcpcoop.com to learn more.

List your homes with BDX

Custom Builders and Infill builders can list their homes on the largest source of new homes in the world, NewHomeSource.com, plus Realtor.com, Homes.com, Redfin all for only \$125 per month. (max 11 homes per listing)

Build the confidence that sells homes

Structural warranties protect profits on every home you build and relieve you of financial liability. Enhance your reputation and value to stay focused on building quality homes. Contact Bill Connor at wconnor@2-10.com for more information.

Add a layer of security to your job sites

Construction Industry Crime Prevention Program of the Pacific Northwest offers prevention and reduction of theft and vandalism strategies, services and products for your job sites. Karen Blythe at CICPP can help navigate the best solutions - 503-618-8871 or karen@cicpp.com.

Building Smart Pays Off

Homes that use energy wisely stand out from the rest, and so do their builders and remodelers. Energy Trust Trade Allies are eligible to receive cash incentives, technical support and training. Join the growing number of HBA members that take advantage of the Energy Trust offerings and stand out from your competition.

**Must meet qualifying requirements*
