Building Better Together

PROJECT OVERVIEW

The **2026 HBA Home** built by **Mountainwood Homes** supports the **HBA Greater Portland's** work in housing and workforce development. This member-built home is approx. 2,800 sq ft and is located on a production lot in the **Serres Farm Development** in **Oregon City**, at the same development as this year's featured site for the **NW Natural Street of Dreams**. HBA Members are invited to partner, contribute, and support building our **2026 HBA Home!**

HBA HOME FEATURES

- 2,800 sq ft single family home.
- 2-story, 3 bedroom, 2 ½ baths, 2-car garage.
- Located in Serres Farm Development in Oregon City near the 2026 NW Natural Street of Dreams featured site.

- **Showcase residential construction industry environment in real-time to high school + pre-apprenticeship construction trainees.**
- **Demonstrate how current codes + energy efficiency measures can be incorporated into a well-designed home.**
- **Market HBA members' work + contributions during the 50th Anniversary of the NW Natural Street of Dreams and throughout the year!**
